Taxation Bureau of Qianxinan Makes Tax Easier, Faster, and More Convenient

The Taxation Bureau of Qianxinan Autonomous Prefecture of the State Administration of Taxation is responsible for the collection and administration of taxation in Qianxinan Autonomous Prefecture, Guizhou Province, China. To lay the foundation for analytics-driven services to enhance the speed, efficiency, and accuracy of taxation processes, the organization switched to VMware virtual desktop infrastructure, powered by Lenovo ThinkSystem servers with high-performance 2nd Gen Intel® Xeon® Scalable processors. The new environment strengthens information security, cuts total cost of ownership by 30%, and supports innovative digital services for citizens and businesses
